

Proposed Amendment to KHS BB By-Laws

Proposed by: Warrick Wilson

Date: October 13, 2008

The current KHS Band Boosters By-Laws state:

Article X: Meetings

Section 1. Regular meetings will be held monthly on a schedule determined by the Executive Committee and published to the membership at the first meeting. Any necessary change in the meeting time or place will be announced at least five (5) business days prior to the regularly scheduled meeting. "Announcement" of such a change is taken to mean either an email and/or a phone call/message to the members and/or a notice posted on the organization's web site.

Due the creation of the KHS Fine Arts Boosters in the 2008-2009 school year, with the intent to include the Band as part of the organization's fundraising aims, the KHS Band Boosters decided in June 2008 to operate in a scaled down mode. As such, regular Band Booster meetings seem unnecessary, given that KHS FAB meets monthly.

With this in mind, the following amendment to the By-Laws is hereby proposed:

Section 10: For the period including December 2008 to May 2009, regularly scheduled monthly general meetings of the Kingston High School Band Boosters will be suspended as much effort is duplicated by the KHS Fine Arts Boosters organization. If needed, a meeting may be arranged per Article X, Section 2. A meeting of the KHS Band Booster will be held in June 2009 to determine the on-going operation of the group.
